Subject: Gift card

Yesterday, I received a thank you note from Dan and Jo Anne Smolen, 6005 N Mason, who are constituents whom I have helped. Along with the note, they included a \$10 Dunkin' Donuts gift card.

I am mailing the gift card back to them, along with the attached note of explanation.

Dear Mr. and Mrs. Smolen,

Thank you so much for the kind words, and the gift card. I really appreciate your generosity!

However, the City's ethics laws forbid me from accepting gift cards, so I must return it.

Best regards,

Jonathan Silverstein
